**HON'BLE MR JUSTICE L.NARASIMHA REDDY**

WRIT PETITION No.2936 of 2007

**ORDER:**

sPetitioner states that she is the absolute owner and possessor of land admeasuring 200 square yards in Survey No.176, plot No.34 of Venkatapuram, Kothapalem, Gopalapatnam, Visakhapatnam District. It is stated that she intended to sell the said land to the third respondent herein and in that process, approached the second respondent with a request to furnish the basic value of the property, to enable her to compute the stamp duty. The grievance of the petitioner is that the second respondent is not entertaining any document, on the ground that the Government issued a notification under Section 22-A of the Registration Act, 1908 (for short 'the Act'), in respect of the land in the said Survey Number. This writ petition is filed seeking appropriate directions to the respondents, in this regard.

Heard the learned counsel for the petitioner and the learned Government Pleader for Revenue.

Section 22-A of the Act empowered the Government to issue notifications almost preventing the registration of documents in respect of the lands to be mentioned therein. Such a power was held to be *ultra vires* and the provision was struck down by the Hon'ble Supreme Court in ***State of Rajasthan v. Basanth Nahata***[1].

Once the sole basis for the second respondent to refuse

registration had disappeared, he is under obligation to receive the documents and consider the same, in accordance with the provisions of the Indian Stamp Act and the Registration Act, in case the petitioner approaches him.

Hence, the Writ Petition is disposed of, directing the second respondent to receive and process the documents that may be presented by the petitioner; and take necessary steps, in accordance with the provisions of the Indian Stamp Act and the Registration Act. There shall be no order as to costs.
